## Can Be Part of Oberlin History!

The *Heritage Trail* begins and winds through the Oberlin Heritage Center, at 73 S. Professor Street. Visit the Center and see the inscribed bricks that have been installed along the walk that starts at the Conservatory parking lot.

The *Trail* is paved with century-old bricks, which are waiting to become even *more* historic when engraved with your name or personal message. Twelve characters or spaces, one half inch each, may be engraved in one, two, or three lines on each brick.

Let your imagination and creativity make the *Heritage Trail* live on for your great-grandchildren to enjoy! We will send you a photo of your brick once it is installed.

Your donation is tax-deductible and will support our landscaping projects. Send the lower part of this sheet, along with your check payable to O.H.I.O., to P. O. Box 0455, Oberlin, OH 44074-0455. If you have questions, please telephone the office at 440- 774-1700 or e-mail [members@oberlinheritage.org](mailto:members@oberlinheritage.org) .
